Sub: Pending Pension Cases Details/ Action Taken

Sir,

1. In recent past there have been cases where pension (Provisional/normal pension) was not being disbursed to individuals without any valid reasons/clarifications.

2. Pensionary benefits under government rules are part of essential financial support for well being/ survival of a retired govt employee. Hence it is the duty of all concerned to ensure that pensionary benefits or provisional pension relief is extended to retired employees of CGWB without any delay.

3. In order to gather the information regarding any pending pension cases, concerned RDs/EEs/OIC SUOs/HOOs are required to furnish the information regarding pending cases of pension in the format attached.

Above information is required to reach this office by 30th Dec, 2016.

Yours faithfully,

Encl: As above

(Administrative Officer)
